Recognizing those who helped with the betterment of our community.

Listed with their accomplishments if known.

The above should be expected of every adult and taught to every child and made the human law for all.
If harmers were punished we could have a wonderful world.

Freedom of speech and media safeguards freedom.
Our Constitution and Universal Declaration of Human Rights gives us many Freedoms.
Where they censor speech, information and books they will take away your freedom.

FREEDOM ISN'T FREE, MANY DIED FOR YOURS. We veterans remind you to: Be vigilant and be prepared to fight threats to your freedom. There are many here who are secretly against our way of life. Remember 9-11, Boston massacre, Detroit bomber, Mslm terrorists who nearly caused hundreds of deaths of children and Warren workers in 2026. And over 49,000 Mslm terror attacks since 9-11 worldwide and killing nearly 200 in USA.

And there are the greedy 1% who have excessive wealth dodge taxes, and Corporations who don't pay a living wage. We now have the resources to provide good clothing, food, housing, medical care and education to all citizens..

Before the first entry we acknowledge that there are many Heroes and Volunteers who declined to have their names put in this history because they choose to do good work anonymously. I will call these our Anonymous Heroes. Several of these have put in hundreds of hours doing good work in our community. We give them our thanks and gratitude for their wonderful works.

Perch, William was an industrialist with a tool and die shop on Sherwood. He also served as a scoutmaster. People like this

have a big influence on youth. I remember as a scout learning knots he had the boys tie him up so he could not get untied quickly. He taught them a lesson he had held his hands a little further apart so that when it was time to escape he was out in a few seconds. volunteers like him are valuable to our community.

Peters Barbara contributed to our understanding of history in posts on Facebook, worked in St Clement Alumni Assn. Was helpful to the in the cause of preserving Center Line history. She had a nice personality and was helpful to this historian in finding people. Obituary Barbara Sharon Peters, age 77, a long time resident of Warren, passed away on Tuesday, October 22, 2019 in Detroit, MI. She was born on

Thursday, December 4, 1941 to Lambert and Pauline (nee Phaneuf) in Detroit, Michigan. She attended St. Clement High School where she graduated in 1960. Barbara worked for Chrysler as an inspector, a career she enjoyed for over 30 years. During her time at Chrysler and even after her retirement Barbara was very active with her Local UAW union hall. Barbara enjoyed traveling. She managed to visited all 50 states, and after seeing them all she could easily say that Alaska was her favorite. She also loved going on cruises to both the Mediterranean and the Caribbean. After her retirement, Barbara made several trips to Europe and never missed an opportunity to visit Disney World. Barbara was a very talented crafter, especially when it came to crocheting; her specialty was the throw blankets she made for everyone she knew. Barbara is survived by her daughters,Carol(Mickey)

Barker, and Michelle (David Webb) Beaulieu. She is the treasured grandmother of Michael, Christopher (Amanda), Matthew, Joseph, Lucas, Shelby and Joshua, and great-grandmother of Kayla and Ryder. Dear sister of Ronald (Julie) Peters, Shirley (Paul) Cozort, and Richard Peters, and cousins whom she loved like siblings Pat Hayes and Melva Farmer. Godmother of Ronald Abramowicz. She also loved her grand-puppies Gracie, Gabby and Bella. She will also be missed by many loving nieces, nephews, and friends. A Memorial service for Barbara will be held at 12:00 P.M., Saturday, November 23rd, 2019 at A.H. Peters Funeral Home, 32000 Schoenherr Road, Warren. Her family will be receiving friends and visitors starting at 10:00 AM until the time of service Memorial contributions are suggested to the Golden Retriever Rescue of Michigan. She and her brother Ron who married Donna Jerowticz from Center Line

High School were friends of this historian. Both were the great persons.

Piper Walter C acquired land in southern Warren on both sides of Van Dyke and subdivided the land. He named many streets after automobiles. Mr Piper formed Pipers Farms led the way in Southern Warren in land subdividing in an area known as Base-line. He bought property along Van Dyke and opened a sales office where the interurban could stop. See History of Warren in Pictures for a picture of it.

Plunkett Mortimer Teacher has family at St Clement

Plunkett Mortimer was a farmer in the 1870s. The 1869 Plunkett school named after Mortimer Plunkett who taught there 1900-1916 and perhaps longer. The school was located at Ten Mile and Sherwood. NE corner. The public school was a basic one room structure with out houses and a wood shed. It had a pot belly wood stove with a long stove pipe that ran the length of the building in order to make the most of the heat as it served as a radiator. It had wooden benches for seats with carved desk tops. Later it had oil lamps perhaps replaced by electric bulbs

for its last few years. It had a bell tower and most likely a bell. This became known as the Plunkett School because Mortimer Plunkett taught there alone for many years. It appears on a 1875 map Mortimer W Plunkett was the only teacher between 1900 and 1916 and he taught pupils in all classes of all ages." "Mortimer agreed to accept a salary of $333 to cover ten month teaching. In 1901 he received an increase of $27". "He worked for $9 per week.

Poslajko, Steve May 18, 2010-Aug 18, 2010 from a fast and aggressive cancer at his home in Troy on May 18, 2010. 51 years old. He loved his work at Chrysler, had an incredible work ethic

and took great pride in his work as a precision toolmaker. Steve loved all his dear friends. Some were kids from the old neighborhood, some work pals, some golf buddies, others that just gravitated toward his warm nature and great sense of humor...Steve was the king of one liners. He adored dogs and his nieces and nephews. Steve was an avid fan of sports. He played hockey, baseball and golf with the passion and competitiveness of a professional athlete. Golf became his favorite and he was really a gifted golfer (he hit two hole in ones in his life). Steve loved classic cars and joked that his best relationship was with his 1968 Dodge Charger. Steve was a magnificent person, proof that ordinary people can live extraordinary lives. He was loved beyond measure and his friends and family will miss him with all our hearts, every day, until we see him again. CLHS 1976

Pounder, Tom Was the recreation director in Center Line from 1948-1958. He did an excellent job of running a great program. He also bought a bus and would take people on tours around the United States. I had met him personally as he was the father of one of my classmates a Barbara Pounder who later died of cancer young.
